Dear Prayer Partners & Financial Supporters

March 2022

“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” Titus 2:13.

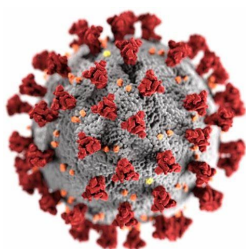

What is the blessed hope? As we are going through heartbreaking times all around the world, Christians are encouraged to expect the coming of the Lord Jesus Christ. In spite of the suffering and the chaos, we have to remind ourselves that this world is not our home, we are just pilgrims passing through towards our Heavenly Home. I would like to take this opportunity to thank you for your continued prayer support. I would also like to thank those of you, individuals and churches alike, who are financially partnering with me. I am excited to share with you that, in spite of the COVID crisis we experienced for almost 2 years, the Lord has provided 78% of my total missionary support. Praise the Lord!

DEAF MINISTRIES

In the month of January, I started teaching a Sign Language class at my local church, First Baptist Church of Land O'Lakes, FL. The class takes place as a Sunday school class where 14 to 15 hearing members attend to learn Sign Language to contact the deaf in the community. ***Please pray that someone will surrender his or her life to minister to the Deaf and Hard of Hearing as a church interpreter through these classes.***

In the month of February, I attended a revival meeting at the Deaf Baptist Church in Pinellas Park, FL, invited by Pastor Bruce Kelly (Deaf Baptist Church, Smyrna, GA). It was a privilege to be a part of this group and the establishment of a new deaf church in the community.

After visiting the Deaf Baptist Church of Pinellas Park, I was infected by the COVID virus. For 2 weeks I had to quarantine myself, but I was able to get the monoclonal therapy before the federal government shut down all places in Florida providing this therapy. Two days after getting the therapy, I began to feel much better. Praise the Lord!

In the month of May, I will be attending the DeafNation Expo 2022 taking place in Atlanta, GA. Although it is a secular event, there are many opportunities to share the Gospel. Last year I attended my first DeafNation expo in Kissimmee, FL.

Last year, while visiting a church in Florida, I was approached by the pastor to plan a second visit to minister to a group of ladies and to present the Deaf Ministry sometime in the spring. **Please pray about this new opportunity.**

I would like to continue to bring the IPM Volunteer Interactive Partners Program to your attention. Dr. Brent Smith (Vice-President of Church Mobilization) wrote the following message: “**TEAM VIP** - IPM’s VIP program is a volunteer program for believers in the States to utilize their God-given gifts. There are believers in local fundamental churches across the United States that deeply love missions. However, many cannot go to the foreign field, nor are they called to quit their jobs and pull up roots. This is where the TEAM (The Exciting Application of Ministry)

VIP program can help. It provides opportunities for believers to be foreign missionaries right out of their own homes and/or churches. The program will work with any church missions’ program. **Would you pray and consider one of the opportunities, even on a one-time basis, and see how the Lord would have you minister?**” You can contact Dr. Smith directly at smith@ipmworld.org about anyone you may know who would be interested in the program.

Would you consider partnering with me to reach the Deaf for Christ?

Serving a risen Savior,

Marta L. Galdamez
